PIPELINE & EQUIPMENT FLANGES:
High-strength flanges for secure pipe connections.

VALVES & SPARES: Industrial-grade valves, gaskets, and seals ensuring smooth operations.

ABRASIVE PRODUCTS: Grinding wheels, cutting discs, and sanding tools for precision work.

SAFETY PPES: Helmets, gloves, masks, and protective gear to ensure workplace safety.

MACHINED COMPONENTS: Custom-engineered machine parts for industrial needs.

CUSTOMIZED FABRICATION PRODUCTS & WORKS: Tailored solutions for fabrication and industrial applications.

VE ENTERPRISES

(ISO 9001:2015 CERTIFIED ORGANIZATION)

SUPPLYING HIGH QUALITY FASTENERS AND INDUSTRIAL ENGINEERING MATERIALS WITH PRECISION AND RELIABILITY

QUALITY | RELIABILITY | SUSTAINABILITY

INTRODUCTION

VE Enterprises is a trusted supplier of high-quality industrial materials and consumables, catering to diverse industry needs. We provide fasteners, tools, welding accessories, fittings, bearings, safety PPEs, and customized fabrication solutions with reliability and excellence.

QUALITY POLICY

We are committed to delivering superior products that meet industry standards. Our focus on quality control, continuous improvement, and customer satisfaction ensures excellence in every service we provide.

VISION

To be a globally recognized supplier and manufacturer, known for reliability, quality, and customer-centric solutions, setting new industry benchmarks.

MISSION

- Deliver high-quality industrial products and solutions.
- Ensure timely service and strong client relationships.
- Foster innovation and continuous improvement.
- Uphold integrity, professionalism, and sustainability.

WHY CHOOSE US?

• Quality Products

We deliver top-quality products by manufacturing, sourced from reliable and trusted brands.

• Expert Service

Our experienced team is always ready to assist with product selection, advice, and troubleshooting.

• Timely Delivery

We understand the importance of deadlines and ensure timely delivery of all orders.

• Competitive Pricing

We offer the best value for money with our cost-effective pricing structure.

OUR PRODUCTS AND SERVICES

FASTENERS

- ✓ High-performance bolts, studs, nuts, washers, and threaded rods that meet industrial valve specifications.
- ✓ High-tensile fasteners in grades 8.8, 10.9, and 12.9 for pressure-containing applications.
- ✓ Speciality fasteners in A270, A470 for high-temperature and corrosion-resistant environments.
- ✓ Exotic material fasteners in Titanium, Inconel, Monel, and Duplex Stainless Steel, ensuring durability in extreme conditions like oil & gas, power plants, and chemical processing industries.
- ✓ We provide fasteners with surface coatings - Zinc, Mechanical Zinc, Hot Dip Galvanizing, Zinc Phosphatizing, Nickel, Copper, PTFE, Xylan, and TEFLON.

MEASURING INSTRUMENTS :

Precision tools like calipers, micrometers, and gauges for accurate measurements.

WELDING ELECTRODES & ACCESSORIES :

Electrodes, welding rods, and safety gears for efficient and safe welding.

HAND TOOLS :

A wide range of hammers, spanners, pliers, and cutting tools for industrial applications.

HYDRAULIC & PNEUMATIC HOSE FITTINGS:

Reliable fittings and hoses for fluid and air transmission systems.

INDUSTRIAL BELTS & BEARINGS:

Heavy-duty belts and bearings for optimal machine performance.

RUBBER & OIL SEALS: Durable sealing solutions for machinery and pipelines.
